Dear customer,

We are excited to announce representation of the Dormont gas connector product line. Dormont, was recently acquired by, and added to, the Watts Water Technologies family of companies. We expect this affiliation to provide many improvements in the Dormont and Watts product offerings.

Orders and correspondence for the Dormont product line should now be forwarded to our office. Becky Hanson will be responsible for Dormont customer service. Her contact info is as follows:

Becky Hanson

Direct line: 763-422-4440

Please feel free to contact your salesman, or anyone in our company with any requests relative to Dormont.

Thank you for your business.
